about sunny sound

We believe music is a universal language that transcends time, bringing people together in harmony and joy. Founded to celebrate the beauty of life's golden years, we are dedicated to enriching the lives of elders through uplifting, music-driven experiences.

Whether it's a nostalgic melody that stirs cherished memories or a lively rhythm that inspires connection and movement, Sunny Sound exists to ensure every sound resonates with warmth and meaning. Our audio solutions are designed to spark joy, foster togetherness, and create lasting memories, one beat at a time.

Sunny Sound is more than music—it's a celebration of life's most meaningful moments, shared through the power of sound.

about the logo

The Sunny Sound logo blends the warmth of the sun with the rhythm of music, forming a speaker-like design. Its circular core symbolizes sound and connection, while radiating rays represent energy, positivity, and life's golden moments.

At the center of the design is a circular form that evokes the shape of a speaker, symbolizing the power of sound to amplify joy and connection. Radiating from the speaker are stylized rays that represent the sun, embodying warmth, positivity, and the golden glow of life's most cherished moments.

clear space

It is important to keep brand marks clear of any other graphic elements. To regulate this, an exclusion zone has been established around the brand mark.

This exclusion zone indicates the closest any other graphic element ormessage can be positioned in relation to the mark, of the symbol itself and our company name - they have a fixed relationship that should never be changed.

*The **minimum size** of the full logo is 150 pixels for digital platform and 8 millimeters for print. Both sizes are measured in width.*
